#### EXPLANATORY NOTE ON THE ABOVE AMENDMENTS

The following is the explanatory note on the amendments proposed in Notification No. CWR(1)/71 dated 14th October 1971. This note is intended only to clarify the intention of the Council underlying these amendments and should not be construed as limiting or amplifying the scope of these amendments in any manner whatsoever.

The Council of the Institute has accorded recognition to what are called Chapters of Cost Accountant. These Chapters are voluntary organisations run by members and students of the Cost Accounting profession within the frame work of rules approved by the Council. Recognition is accorded to a Chapter on the recommendation of the Regional Council functioning in the area. It is now proposed to make a Provision in the Cost and Works Accountants Regulations seeking power to frame bye-laws for recognising and regulating Chapters of Cost Accountants so as to bring them within the ambit of the Regulations.

The existing form of application for admission to Associate membership or advancement to Fellow membership is proposed to be amended so as to make the contents more informative.
